WOW!... talk about weather extremes.

With the extremes in weather that we have experienced since spring, this means our furnaces and air-conditioning systems have been working overtime. So now's the time to take care of the heart of your home climate system, your furnace.

We will again be offering our Fall Service at a low rate of \$95 plus hst.

So please call early to take advantage of this special rate and be sure to beat the last-minute rush.

Many of you may not know, that we have an excellent referral program as well. If you are a happy customer, recommend us to your friends and neighbors and if they purchase a new HVAC system from us, Markham Heating will give you a free Fall or Spring Service.

As a reminder we also service and sell gas fireplaces. Our guys are the best in the business.

Hope to see you soon,
